

- Don't forget to ask the fishers...New article available at <http://authors.elsevier.com/a/1PyQd1R~dwRnc>. Free access until 19<sup>th</sup> December 2014.
- Data analysis from the Cardigan Bay fishing intensity study is underway. We'll post the link to the report here as soon as it's complete.
- We're hoping to hold the second **Isle of Man Fisheries Science Symposium** in December. Any scientific questions you want answered? Just let Isobel ([i.bloor@bangor.ac.uk](mailto:i.bloor@bangor.ac.uk)) know and we'll do our best to answer them at the meeting. Also let Isobel know if you're a fisher that would be interested in attending.
- Babette has completed her study examining habitat associations of juvenile crab and lobster. The report will be completed and available here in November.
- Bass recruitment in Wales has been much higher than last year. Report coming soon.
- Fishing industry questionnaires are underway in Wales. Check out our [Welsh](#) or [English](#) flyers or [webpage](#) for more information. By participating you could win a subscription to Fishing News or a new pair of Guy Cotten Bib and Brace Trousers (and help to ensure the future of Welsh fisheries at the same time)!
