

- Seafish Wales September E-newsletter available [here](#).
- Take a look at the [second issue of IOM Fish News](#) – our fisheries science newsletter from the Isle of Man. This issue includes news on the queen scallop stock assessment, industry questionnaire results and brown crab tagging.
- RV Prince Madog is currently surveying Cardigan Bay SAC to see how the seabed has recovered after dredging in April.
- We're aiming to complete our final Welsh fishing industry questionnaires over the next couple of months. Check out our [Welsh](#) or [English](#) flyers or [webpage](#) for more information. By participating you could win a subscription to Fishing News or a new pair of Guy Cotten Bib and Brace Trousers!
